CORNERSTONES *of*
DEMOCRACY
CIVICS | CIVILITY | COLLABORATION

In recent years, tensions in our democratic system have revealed deep divisions in American society. These divisions are aggravated by incivility in public discourse and insufficient understanding among many people about the Constitution and the way American government works. Together, however, we can collaborate to overcome our differences, resolve our disputes, and preserve our democracy and republic. To that end, we call on members of the legal profession to lead the way in promoting civics, civility, and collaboration—the cornerstones of our democracy.
